

## 1. PRODUCT AND COMPANY IDENTIFICATION

Product name	Cedarwood Atlas Essential Oil
Product code	EO-CATLA
Botanical name	Cedrus atlantica
CAS #	8023-85-6
Product use	Domestic and Industrial
Supplier	WFMed
Address	8245 Backlick Rd Unit D, Lorton VA 22079 USA
Telephone number	888-WFMED-97 (888-936-3397)
Emergency phone number	888-WFMED-97 (888-936-3397)

## 2. HAZARD(S) IDENTIFICATION

### GHS Hazard Classification

Aspiration toxicity - Category 1  
Hazardous to the aquatic environment - long term hazard - Category 2

### GHS Label Elements

Pictogram  
Signal Word

Warning

### Hazard Statements

H304  
H411

May be fatal if swallowed and enters airways.  
Toxic to aquatic life with long-lasting effects.

### Precautionary Statements - Prevention

P101

If medical advice is needed, have product container or label at hand.

P102

Keep out of reach of children.

P103

Read label before use.

P273

Avoid release to the environment.

### Precautionary Statements - Response

P301

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.  
Immediately call a POISON CENTER or doctor/physician.  
Specific treatment.

P391

Collect spillage.

### Precautionary Statements - Storage

P405

Store locked up.

**Precautionary Statements - Disposal**

P501

Dispose of contents/ container to an approved waste disposal plant.

**Hazards Not Otherwise Classified (HNOC)**

No data available

---

**3. COMPOSITION / INFORMATION ON INGREDIENTS**

<b><u>Product Name</u></b>	<b><u>CAS NO</u></b>	<b><u>Concentration</u></b>
Cedrus atlantica oil	8023 – 85 -6	100%

---

**4. FIRST-AID MEASURES****Description of first aid measures****Eye Contact**

Contact with eyes can produce burning sensation. Irrigate with water immediately, continue flushing eyes with water for 15 minutes. Seek medical attention if irritation persists.

**Skin Contact**

Skin contact can produce irritation, or itching of the skin. Remove contaminated clothing Wash with soap and plenty of water. Seek medical attention if irritation persists.

**Inhalation**

Remove to fresh air. Give oxygen if breathing is labored and seek medical advice. Avoid casual breathing. Signs of overexposure are dizziness and nausea.

**Ingestion**

Rinse mouth and consult a physician immediately. Never-give anything by mouth if victim is unconscious, is rapidly-losing consciousness, or is convulsing.

**Most important symptoms and effects, both acute and delayed**

No additional information available.

**Indication of any immediate medical attention and special treatment needed**

No additional information available. Treat symptomatically.

---

**5. FIRE-FIGHTING MEASURES****Extinguishing media**

CO<sub>2</sub>, foam and dry chemicals. DO NOT use direct water jet on burning material.

**Specific hazards arising from the chemical**

Carbon oxides.

**Special protective equipment and precautions for firefighters**

Wear proper protective equipment. Exercise caution when fighting any chemical fire. Use water spray or fog for cooling exposed containers

**Further information**

No data available

---

## 6. ACCIDENTAL RELEASE MEASURES

### **Personal precautions, protective equipment and emergency procedures**

Use of self-contained breathing apparatus is recommended for any major chemical spill. Avoid breathing vapours, mist or gas. Ensure adequate ventilation. Remove all sources of ignition. Evacuate personnel to safe areas. Beware of vapours accumulating to form explosive concentrations. Vapours can accumulate in low areas. Refer also to section 8.

### **Environmental precautions**

Keep away from drains, surface and groundwater. Report spills to appropriate authorities if required.

### **Methods and materials for containment and cleaning up**

#### **Methods for containment**

Contain and collect spillage with Non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations.

#### **Methods for cleaning up**

Contain and collect with inert absorbent material and place in suitable container for disposal. Comply with all federal, state, and local regulation. Wipe small spills with cloth. Clean with hot water and detergent.

---

## 7. HANDLING AND STORAGE

### **Precautions for safe handling**

No direct lighting. No smoking. Ensure prompt removal from eyes, skin and clothing. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Handle in accordance with good industrial hygiene and safety procedures.

### **Conditions for safe storage, including any incompatibilities**

#### **Storage conditions**

Provide local exhaust or general room ventilation to minimize dust and/or vapour concentrations. Keep container closed when not in use.

#### **Incompatible materials**

None known based on information supplied.

---

## 8. EXPOSURE CONTROLS AND PERSONAL PROTECTION

### **Control parameters**

No data available.

### **Exposure controls**

#### **Engineering controls**

Ensure adequate ventilation, especially in confined areas.

#### **Personal protective equipment**

Eye/Face protection: The use of safety glasses is recommended. If a material is to be handled in a manner where splashing may occur, the use of splash goggles or face shield is recommended. An eyewash fountain and / or safety shower should be available in the work area.

Skin/Body protection: Chemical resistant gloves/clothing are recommended.

Respiratory protection: In well-ventilated areas, respiratory protection is not normally required. In confined, poorly ventilated areas the use of "NIOSH" approved respiratory protection normally required (use only if trained in proper use and with acceptable oxygen level).

### General hygiene considerations

Acceptable industrial hygiene practices should be maintained.

---

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### Information on basic physical and chemical properties

Physical state	Liquid
Appearance	Light golden yellow to orangish-brown liquid
Odor	Characteristic sweet woody odor.
Refractive Index	1.506 – 1.516
Specific Gravity(d20/20):	0.945
Specific Gravity(d25/25):	0.910
Flash point	93°C (199.4°F)
Solubility	Soluble in alcohol and oils. Insoluble in water.
Contents	Himachalenes

---

## 10 . STABILITY AND REACTIVITY

### Reactivity

This material presents no significant reactivity hazard.

### Chemical stability

Stable under recommended storage conditions.

### Possible hazardous reactions

No data available.

### Conditions to avoid

Avoid sparks, flame and other heat sources.

### Incompatible materials

Strong oxidizing agents

### Hazardous decomposition

When heated to decomposition produces acrid fumes and carbon monoxide smoke.

---

## 11. TOXICOLOGICAL INFORMATION

### Information on toxicological effects

#### Acute toxicity

No data available

#### Skin corrosion/irritation

Adverse skin effects should be prevented by normal care and personal hygiene

#### Serious eye damage/eye irritation

Possible irritation should be prevented by wearing safety glasses.

**Respiratory or skin sensitisation**

Inhalation of high concentrations of vapor may result in irritation of eyes, nose and throat, headache, nausea, and dizziness.

**Germ cell mutagenicity**

No data available.

**Carcinogenicity**

IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by ACGIH.

NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

**Reproductive toxicity**

No data available.

**Specific target organ toxicity - single exposure**

No data available.

**Specific target organ toxicity - repeated exposure**

No data available.

**Aspiration hazard**

No data available.

**Additional information**

No data available

---

## 12. ECOLOGICAL INFORMATION

**Ecotoxicity**

Toxic to aquatic organisms, may cause long-term adverse effects environment. Avoid any pollution of ground, surface or underground water.

**Persistence and degradability**

No data available.

**Bioaccumulative potential**

No data available.

**Mobility in soil**

No data available.

**Other adverse effects**

No data available.

## 13. DISPOSAL CONSIDERATIONS

### Waste treatment methods

#### Product

Dispose of product in accordance with local, state or provincial and federal regulations. Check with local municipal authority to ensure compliance.

#### Contaminated packaging

Do not reuse container.

---

## 14. TRANSPORT INFORMATION

### US DOT (Land)

UN/ID #	1169
Proper Shipping Name	Extracts, aromatics, liquid
Hazard Class	3
Packing Group	III
Poison Inhalation Hazard	No

### IMDG/IMO (Sea)

UN/ID #	1169
Proper Shipping Name	Extracts, aromatics, liquid
Hazard Class	3
Packing Group	III
EMS-No	F-E, S-D
Poison Inhalation Hazard	No

---

## 15. REGULATORY INFORMATION

### SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

### SARA 313

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

### SARA 311/312 Hazard Categories

Acute Health Hazard

### California Proposition 65

Contains substance identified in the revised list of the California Safe Cosmetic program SB 484 (as stated in Proposition 65 revised list: MYRCENE).

---

## 16. OTHER INFORMATION

Creation date: 12/22/2020

Revision date: 12/22/2020

**Disclaimer & Caution:**

The information contained in Material Safety Data Sheet is obtained from current and reliable sources. The information contained herein is true and to the best of WFMed's knowledge. Nothing herein should be interpreted as a recommendation to infringe existing patents or violate any laws or regulations. Final determination of the suitability of the material is the sole responsibility of the user. Customers should purchase products from WFMed with the clear understanding that all products must be used at the customer's own discretion and only after referencing Material Safety Data Sheets (MSDS) and all other relevant technical information specific to the product. WFMed shall not be held responsible for any damages to the property or for any adverse physical effects ( including injury or bodily harm) caused by insufficient knowledge or the improper use of a product. The user of the product is solely responsible for compliance with all laws and regulations applying to the use of the products, including intellectual property rights of third parties. As with any manufacturing process, WFMed strongly recommends small lab scale testing for evaluation purposes prior to full commercial manufacturing. The information on the WFMed website is obtained from current and reliable sources but makes no representation as to its comprehensiveness or accuracy. Nothing contained herein should be considered as a recommendation by WFMed as to the fitness for any use. As the ordinary or otherwise uses of this product is outside the control of WFMed no representation or warranty, expressed or implied is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained. The liability of WFmed is limited to the value of the goods and does not include any consequential loss. WFmed shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon.
